

## FOR IMMEDIATE RELEASE

### LandLeader Sponsors Safari Club International

#### Exclusive Real Estate Network Partners With The Largest International Hunting Organization

August 3rd, 2015 (Windsor, Colorado) The Land Leader LLC, the largest national land marketing network, recently announced a major sponsorship of Safari Club International (SCI), the leader in protecting the freedom to hunt and promoting wildlife conservation worldwide.

LandLeader, a network of quality real estate brokers who specialize in recreational, sporting, farm, ranch, timber and rural land for sale, aligns perfectly with SCI's membership due to LandLeader's massive inventory of rural land for sale. With over 1,500 properties, LandLeader is not only the largest, but the only national or international real estate network to partner with SCI. This is the first time SCI has allowed a real estate marketing group of this nature to partner with Safari Club International.

According to SCI CEO Phil DeLone, "LandLeader is a perfect fit to help further the mission of Safari Club International. Their dedication to the land and their customers reflect the values and ideals of SCI and help strengthen the fight to preserve our hunting heritage."

"This is a landmark partnership for LandLeader and all of our members!" said Dax Hayden, LandLeader National Director. "Not only do we give our sellers the chance for their properties to be exclusively showcased to SCI members, but we are supporting an organization that believes in the future of hunting and land ownership. LandLeader is committed to supporting landowners, stewardship, habitat enhancement, wildlife conservation, and land access programs for America's sportsmen and women. We are excited to sponsor SCI and look forward to meeting their members at the 2016 SCI Convention in Las Vegas."
